

## 2018 North LEAF PICKING Schedule

Please try to coordinate with the spray planes based on these days. Spraying has been a major concern in hiring people for the picking crew. **Penni Weyant** will be the lead picker for the North crew. Her cell phone is 406-274-6194. Steve Hystad is the Lab Supervisor, his number is **406-589-5549**. The Potato Lab's phone number is 406-994-3150.
